

# CAD for Product Design 2

## week 01 ProjectProcess

**MASTER MODEL**  
-in context modelling strategy

**PHASE 1- STEP 1 Primary Form Features**      **PHASE 1 - STEP 2 Subset Form Features**

<i>lofted form</i>	<i>revolved form</i>	<i>compound surface form</i>	<i>multi-faceted compound surface form</i>	<i>insitu modelled subset form</i>	<i>insitu modelled lofted subset form</i>	<i>insitu modelled lofted + extrude subset form</i>
